

Tignes Les Brevieres

Tignes Les Brevieres

Most snow sure resort in Europe: 1600m to 3550m: 325Km's of piste, PLUS 100's kms of 'useable off-piste' on top (as it snows so much). Snow lasts until May (Summer skiing is also possible)

The original 'Old Town' of Tignes:

A traditional & pretty looking resort, chalet-style buildings with high altitude skiing on the doorstep. None of the high-rise concrete buildings of Tignes - yet still connected to the best, most snow sure slopes of Tignes and Val d'Isère

Lifts/Slopes & Centre:

- > Ski slopes 350m from chalet, or a 2-3 min walk.
- > Centre with bars/shops, just 1 min walk from chalet

Book after initial reservation - we will send you details on how to book. Lift passes at the chalet for your arrival.

Selling Points (Les Brevieres)

- Chalet-style pretty resort. None of the high-rise concrete buildings of Tignes - yet still connected to the best, most snow sure slopes
- Immediate access to some of the best skiing and boarding in the area - no queues and less people. Very good on a powder day!
- Brev' is the only place in Tignes with trees - so you can see in bad weather! This is a major PLUS. Tignes & Val can be a bit miserable in bad weather so trees are GOOD!

- > **Intermediate:** Very good for intermediates: lots of blues & reds.
- > **Advanced:** The Sache is a very famous runs that leads into Brev'. Great in powder. Lots of red and black runs leading into Brev'. Brev' is quieter on a powder day, where you have great off piste on red graded runs leading from the top of the gondola
